

Dear young SoHT member,

The SoHT supports young researchers with a travel grant allowing them to present their own scientific work at SoHT-meetings. These scientific meetings offer young scientists a unique opportunity to discuss their results with the main representatives of our research field and to establish contacts for further scientific cooperation.

The maximal grant is 1000 Euro, depending on the total travel travel costs. Applicants from outside Europe and from developing countries are encouraged to apply.

The board's decision is final. When in doubt, the Management Board of the SoHT will decide.

Please note that only two scholarships per institution can be granted. Therefore please decide on your applicants internally first before submitting an application. If more than two applications are made from an institution, all will be returned to the supervising tutor.

If the scholarship is granted by decision of the SoHT Board, the Treasurer will arrange a one-off payment of maximal 1000 (one thousand) Euros to the successful recipient after the acceptance of the abstract.

Application for a SoHT travel grant for a presentation in the scientific program of the 22nd Scientific Meeting of the SoHT, June 12-14 2017, in Cardiff (Wales), United Kingdom

Please complete all sections of the form and email to the secretary of the SoHT

(drgailcooper@hotmail.com), no later than two weeks after successful abstract acceptance.
