

Dear young SoHT member,

The SoHT supports young researchers with six travel grants allowing them to present their own scientific work at SoHT-meetings. These scientific meetings offer young scientists a unique opportunity to discuss their results with the main representatives of our research field and to establish contacts for further scientific cooperation.

The maximal grant is 1000 Euro, depending on total travel costs. The registration fee may not be claimed for a refund. Applicants from all over the world are encouraged to apply.

The board's decision is final. When in doubt, the Management Board of the SoHT will decide.

Please note that only one scholarship per institution can be granted. Therefore, please decide on your applicants internally first before submitting an application.

If the scholarship is granted by decision of the SoHT Board, the Treasurer will arrange a one-off payment of maximal 1000 (one thousand) Euros to the successful recipient after the acceptance of the abstract.

Application for a SoHT travel grant for a presentation in the scientific program of the SoHT at the TIAFT congress in St. Gallen (Switzerland)

Please complete all sections of the form and email to the secretary of the SoHT (maristela.andraus@gmail.com) and the treasurer (frank.sporkert@chuv.ch), no later than two weeks after successful abstract acceptance.
